Price Sensitive Information

This is for kind information to all concerned that the Board of Directors of **Sonali Paper & Board Mills Limited** in its 82nd meeting held on 29 January, 2024 at 4:00 p.m. through virtual platform has decided to add new product line i.e. Aluminum House foil. A machine has already been imported and installed in its factory premises. The product will be suitable for cooking, freezing, wrapping and storing of various food items. The production capacity of the machine is to produce 3,500 pieces Aluminum house foil per day and 12,60,000 pieces (approx.) per annum. Here we also like to inform that few new moulds have been imported for producing different sizes of Aluminum food container boxes. The company strongly believes that upon utilization of full capacity of the new machine and moulds, these will have significant impact on its competitive position in the market in addition to increasing its revenue.
